

Nyland History

How did Nyland come to be? Who were the original folks who made it happen? What motivated them? What principles did they hope to build into this community?

This book is currently a *stub*; but this would be a *really cool* way to capture a lot of it!

Founding of Nyland

Completed in 1993, Nyland was the first cohousing community in Colorado, and it is the largest cohousing community built in the United States to date.
